1. Both these petitions are filed by the
occupants residing in the area of Ramabai
Ambedkar Nagar, Ghatkopar (East). The housing

complex is being developed by one Sitaram Kapse principally for the benefit of Police Personnel. Thus he has undertaken to accommodate erstwhile occupants into the scheme before Police Personnel are accommodated. The grievance of petitioners is that the buildings are taking good time for becoming ready. Petitioners are the erstwhile occupants. Mr.Sakhare, learned counsel appearing for Mr.Kapse makes a statement that the erstwhile occupants of this area will definitely be accommodated first. That will, however, be subject to the verification by the MHADA.. We are told that some names of 300 occupants have already been submitted. We expect MHADA to verify the list within a period of four weeks. If the petitioners have any other queries, they may as well approach the concerned officer of MHADA.. The list finalised by MHADA will be operated by Mr.Kapse. Mr.Sakhare states that one building is almost ready and two buildings are in the offing. These buildings will be used for housing erstwhile occupants. Petitions disposed off. We make it clear that Mr.Kapse must see that the erstwhile occupants are housed first than any others.
